ISAIAH - MALACHI

# July Scripture Challenge

## ABOUT:

In this packet, you will find a page with all the Scripture for the month organized by day. You will also receive a page with some prayer prompts and reflection questions to help you go a little bit deeper. You can use these alongside your journal by writing out the daily Scripture and use the template we provide you as a guide to write the Scripture out.

## THEME:

*Journey through Scripture*  
**ISAIAH THROUGH MALACHI**

## GOING DEEPER:

Reading a piece of Scripture will only take you so far. If you are wanting to really grow your relationship with God, then our membership may be a great place for you! I included a sample sheet from Forevergreen in this packet to try it out!

**Forevergreen is a woven plan to help you to have guidance, structure, and accountability in your daily connection with God so that you can have a life filled with joy, peace, patience, love, kindness, goodness, faithfulness, gentleness and self-control.** Fruit like these cannot grow without intentionality and direction.

"The strides and spiritual growth I've seen (...) have been awe inspiring. God is moving through this journal and I love witnessing it firsthand." - D.G. about Forevergreen

The core of Forevergreen is daily content - a devotion based on the Scripture for the day, a reflection question, prayer prompt, and a truth for the day. **The materials in Forevergreen are created to give you a powerful punch each day with God that only takes a few minutes, but have lasting effects that help transform your day.** Plus, each month has a unique Bible study designed to help you grow closer to God and become more like Jesus. **A sample page of this month's planner has been included in this download for you to try!**
